D1 - S42 (1)(a) Consultees

Drax contacted statutory consultees section 42(1)(a) and section 42(1)(b) in advance of the launch of statutory consultation to ascertain whether the consultee would be happy to receive information via email.

Drax sent the email to the s42(1)(a) and section 42(1)(b) on 28 September 2021 with the following text

‘Following on from our initial consultation for BECCS at Drax held in March 2021, we will soon be launching our statutory consultation to present further details for our proposals to develop Bioenergy with Carbon Capture and Storage at our existing plant in North Yorkshire. We are planning to launch this consultation in November this year.

In advance of this consultation, please could you confirm that you are happy for us to consult and send you the relevant project information via email? We would be grateful if you could confirm that you are happy with this approach by responding to this email by Friday 8 October. If you would prefer, we use an alternative email address, please respond with updated details.

If we do not hear from you, we will, as a default, issue information by post. However, we appreciate that, given the current Covid-19 pandemic, providing information by email may be easier for most people to access’.

Section 42 (1)(a) and Section 42(1)(b) consultees were issued the consultation notification letter and enclosures on Friday 29 October 2021. The letter outlined that they had been identified as a section 42 consultee under the PA2008 and invited the recipient to comment on the proposals (see Appendix E1).

This appendix provides a list of those consulted on the Scheme under section 42(1)(d) of PA 2008 in November 2021.
