0. INTRODUCTION

0.1. OVERVIEW

0.1.1. This Application Document Tracker has been prepared on behalf of Drax Limited (the 'Applicant') to support an application (the 'Application') for a Development Consent Order ('DCO') that has been submitted to the Secretary of State ('SoS') for Business, Energy and Industrial Strategy ('BEIS') under Section 37 of The Planning Act 2008 (as amended) (the 'PA 2008'). The Application relates to Drax Bioenergy with Carbon Capture and Storage (the 'Project'), which constitutes the 'Proposed Scheme'.

0.2. PURPOSE OF THE DOCUMENT

INTRODUCTION

0.2.1. Tables 1-1 to 7-1 provide a full list of all documents submitted with the Application, including the revision number for each document and the relevant statutory provision that the documents are submitted pursuant to. This is intended to be a live document and the tables will be updated whenever new or updated documents are submitted following acceptance of the Application or during the pre-examination or examination stage. Table 8-1 provides a list of documents not submitted with the Application but anticipated to be submitted during the pre-examination stage.

0.2.2. The tables show the latest version of each document highlighted in light green. Superseded versions will be shown greyed out. The latest versions of the Low-Resolution Documents are highlighted in light green. The tables will be updated to include the relevant Examination Library reference for each document once these become available on the Planning Inspectorate's website.

NAVIGATING THIS DOCUMENT

0.2.3. For ease of navigation, Tables 1-1 to 8-1 are colour coded as follows:

Category
1. Application Form
2. Plans
3. Draft Development Consent Order
4. Compulsory Acquisition Information
5. Reports
6. Environmental Statement and Associated Documents
7. Other Documents

8. Examination Documents

Documents highlighted in green are the latest versions

Superseded Documents

Low Resolution Documents

0.2.4. This document should be read in conjunction with the Application Guide (document reference 1.3) and the Electronic Application Index (document reference 1.5).

FIGURES AND APPENDICES

0.2.5. A number of figures and appendices associated with Application documents are submitted as standalone submission documents. This is due to their file sizes. This includes:

- The appendices of the Consultation Report (which has the document reference 5.1, and the appendices have the document references 5.1.1 – 5.1.13);
- The figures of the Environmental Statement ('ES') (which are contained within Volume 2 of the ES, this has the overall document reference 6.1);
- The technical appendices of the ES (which are contained within Volume 3 of the ES, with the overall document reference 6.3);
- The appendices of the Habitats Regulations Assessment ('HRA') Report (the HRA Report has the overall document reference 6.8, with the document references 6.8.3.1 – 6.8.3.6 for the individual appendices);
- The figures of the HRA Report (which have the individual document references 6.8.3.1 – 6.8.3.6).
