*Please note - We have created an electronic response for you in reply to your postal enquiry. For ALL future plant enquiry requests please email to [REDACTED]*

Please accept this email as confirmation that Vodafone: Fixed **does not** have apparatus within the boundary of your proposed works detailed in the reference/location above.

For all future requests please include a 12-digit grid reference and location details within the body of the actual email.

Many Thanks,

**IMPORTANT - PLEASE READ - Your Next Step? :**

Where apparatus is affected and requires diversion, please send all the scheme related proposals that affects the Vodafone Network to [c3requests@vodafone.com](mailto:c3requests@vodafone.com) with a request for a 'C3 Budget Estimate'. Please ensure you include a plan showing proposed works. (A location plan is insufficient for Vodafone to provide a costing). These estimates will be provided by Vodafone directly, normally within 20 working days from receipt of your request. Please include proof of this C2 response when requesting a C3 (using the 'forward' option). Diversionary works may be necessary if the existing line of the highway/railway or its levels are altered.

Kind regards
