Subject: Drax Power Station Bioenergy with CCS - s56 Notice
Date: 20 September 2022 12:04:28

Dear Sirs

The above notice has just been received by this office.

Given the size of our organisation, it has not been possible to determine whether the entity to whom the Notice was addressed (Veolia Bioenergy UK Ltd) has an interest in the application site and/or an interest which requires the preparation and submission of a representation. I would therefore be grateful if you could accept this email as a holding objection to the above application and we shall endeavour to update the Inspectorate at the earliest opportunity.

Thank you

Kind Regards

Joanne Demetrius
