Deadline 2

This submission is made on behalf of Selby District Council and North Yorkshire County Council (The Authorities).

1. Please find attached the Authorities responses to Written Questions.

3. Please note that at this stage the Authorities have no direct comments to make on the Applicants' responses to the Authorities Relevant Representations. These points have been raised in detail in the Local Impact Report and rather than referring back to the Local Impact report to re-iterate the points made in that document the Authorities will respond as necessary to the Applicants response to the Local Impact Report at deadline 3 where necessary.

Yours faithfully
