Dear Sir/Madam,

**Planning Act 2008 (as amended)**  
**Application by Drax Power Limited for an Order Granting Development Consent for the Drax Bioenergy with Carbon Capture and Storage Project**

**Identification of potential new statutory interest**

I refer to your emailed letter received 28 February 2023 concerning the above matter in relation to Ryedale District Council.

Thank you for your invitation to Ryedale District Council to participate in the Examination as an Interested Party. We have examined the nature of the changes in the following document.

We have no observations to make, and do not seek to participate in the Examination.

This is an Officer- level response which does not consider the planning merits of the proposal.

Yours faithfully,
