Planning Act 2008

Application by Drax Power Limited for an Order Granting Development Consent for the Drax Bioenergy with Carbon Capture and Storage Project

Accompanied Site Inspection itinerary – Tuesday 21 March 2023

The final itinerary for the Accompanied Site Inspection (ASI) can be found at the following link:

<http://infrastructure.planninginspectorate.gov.uk/document/EN010120-001152>

A route map can also be found at **Appendix B** of the above document.

Please note that the Examining Authority's (ExA) inspection of sites is **not** an opportunity to provide any oral representations on the project or discuss evidence. It is an opportunity for the ExA to look at the physical features that can be seen on, or from the sites. Participants may be invited by the ExA to point out specific features or sites of interest.

Joining the ASI

The deadline by which parties were asked to request attendance at the ASI was Wednesday 22 February 2023. Due to security requirements and because capacity on the vehicle that will be used for the ASI is limited, **only those parties who notified the ExA by Wednesday 22 February 2023 will be able to attend.**

The site inspection will commence at 9:30am at the Drax Sports and Social Club. Participants are asked to assemble promptly.

Transport arrangements and refreshments

The Applicant will provide the transport for the ASI. Please note that refreshments will not be provided.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Cancellations

Please note that in the unlikely event that the ASI is cancelled we shall endeavour to contact attendees beforehand, but we ask that you regularly check the project webpage of the Planning Inspectorate's National Infrastructure Planning website which can be viewed here:

<https://infrastructure.planninginspectorate.gov.uk/projects/yorkshire-and-the-humber/drax-bioenergy-with-carbon-capture-and-storage-project/>

Contact details

The Case Team can be reached on the day of the ASI on 0303 444 5000.

Yours faithfully

Caroline Jones

Lead Member of the Panel of Examining Inspectors
