Isle of Man Government – TSC IPR no 20049965

Dear Sir/Madam,

As an interested party in the Morecambe OWF application we were intending to attend ISH1 on 24th October. However, we have noticed that this is scheduled for exactly the same time and date as the ISH 5 for the Mona OWF (EN010137). Given the close proximity of these two projects it seems quite likely that many IPs will, like ourselves, be IPs for both projects. Given that ISH1 is intended to cover interrelationship with other projects is there any scope for adjusting the timing of this meeting to facilitate our attendance at these hearings?

Many thanks and best regards,
Richard
