Dear Declan Grehan,

Planning Act 2008 (as amended) and the Infrastructure Planning (Examination Procedure) Rules 2010 (as amended)

Application by Morecambe Offshore Windfarm Ltd for an Order Granting Development Consent for the Morecambe Offshore Windfarm Generation Assets Project.

Department of Housing, Local Government and Heritage Ireland

In light of your Transboundary representation dated 31 July 2024 [\[OD-008\]](#) the Examining Authority (ExA) for this Proposed Development would like to make you aware of the Examination timetable for this project. This is because the ExA may have questions that it may wish to ask you during the examination.

A copy of the Examination timetable can be found at Annex A of the ExA's [Rule 8 letter](#) of 30 October 2024.

In order that you can keep up to date with any information as it is published on the project webpage during the examination may I suggest that you sign up for project updates and you will receive an email update about the proposed development when it is added to the website. You can sign up at his link [Get updates | Morecambe Offshore Windfarm Generation Assets](#)

Please note that even though the ExA has requested that you are made aware of the examination timetable and that they may have some questions to direct to you, there is no automatic right for you to make a written submission or to speak at a hearing during the course of the examination as you do not have the same status as Interested Parties (IPs).

Therefore, if you wish to submit representations in writing or to speak at a hearing you should make your submissions to the ExA by the requested deadline and/or make a request to speak at any relevant hearing. The ExA then has discretion to accept both written and oral representations from you as a non IP.

If you have any questions or require clarification in relation to the content of this letter, please do not hesitate to contact me.

Yours sincerely

Tracey Williams
