Introduction to the Book of Reference and Land Plans

This document is a Book of Reference ("BoR") (Application Document Reference 4.3) and has been prepared on behalf of Oaklands Farm Solar Limited. It presents the interests identified through their diligent land referencing enquiries for their proposed solar farm, energy storage, associated infrastructure and connection to the grid.

This document accompanies the application (reference EN010122) for the proposed Oaklands Farm Solar Park Order (the "Order") under the Planning Act 2008 ("PA 2008").

This document comprises part of the application documents for the Order as required by Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 ("APFP Regulations")

The BoR is to be read in conjunction with the Land Plan (Application Document Reference 2.2) submitted under regulation 5(2)(i) of the APFP Regulations. The Land Plan identifies all of the land required for the authorised development or required to facilitate it or which is incidental to the authorised development and over which compulsory acquisition powers and temporary use powers are being sought (the "Order Land").

For more information regarding the powers which are being sought in the application and the justification for these powers, please see the Statement of Reasons (Application Document Reference 4.1).

Book of Reference and Land Plans

This BoR identifies the extent of acquisition or use being sought over each plot of land which corresponds to specific articles in the draft DCO (Application Document Reference 3.1). A detailed explanation of the powers being sought and the justification for those powers can be found in the Statement of Reasons (Application Document Reference 4.1). The below table identifies the phrase used in Column 2 of this BoR to describe extent of powers of acquisition or use being sought in the draft DCO and sets out the corresponding articles in the draft DCO. Further, the table identifies plots subject to the different powers are shown on the Land Plans. Each plot is coloured on the Land Plans.

Column 2 of the BoR	Principle article in the draft DCO	Colour on the Land Plans
"Permanent Acquisition"	Article 17 (compulsory acquisition of land)	Pink
"Acquisition of Rights"	Article 19 (Compulsory acquisition of rights)	Blue
"Temporary Possession"	Article 26 (temporary use of land for carrying out the authorised development)	Yellow

The BoR is divided into five Parts as prescribed by Regulation 7(1) of the APFP Regulations.

Each of the five Parts is summarised below, together with a brief commentary on how the requirements in the APFP Regulations have been interpreted and applied to the collation of each part of the BoR for the Order.

The Order Land is identified by numbered entries on the Land Plans and in the BoR. Each plot is numbered uniquely so that the prefix of the plot number relates to the Land Plans sheet number on which the plot appears.

All plot area measurements in the BoR are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.

Each plot is coloured on the Land Plans. The colour of the plot indicates the purpose for which the land in that plot is required:

- Pink: Freehold to be compulsorily acquired and temporary use of land and in relation to which it is proposed to extinguish easements, servitudes and other private rights – Description of acquisition sought being ‘Freehold Acquisition’;
- Blue: New rights (including restrictions) to be compulsorily acquired and temporary use of land and in relation to which it is proposed to suspend or extinguish easements, servitudes and other private rights - Description of acquisition sought being ‘Acquisition of Rights’; and
- Yellow: Temporary use of land and in relation to which it is proposed to temporarily suspend easements, servitudes and other private rights – Description of acquisition sought being ‘Temporary Rights’.

Part 1 of the Book of Reference

Part 1 of the BoR is described in Regulation 7(1)(a) as follows:

“Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to–

- a) powers of compulsory acquisition;
- b) rights to use land, including the right to attach brackets or other equipment to buildings; or
- c) rights to carry out protective works to buildings.”

Category 1 persons are defined within section 57 of the Planning Act 2008 as those who own, lease, hold a tenancy in relation to or occupy land within the Order land (see sections 57(1) and (7) of the PA 2008).

Category 2 persons are those who have an interest in land within the Order land or have the power to sell and convey or to release such land. This includes mortgagees, cautioners and beneficiaries that may have an interest in the land to which the application for development consent relates.

Part 1 of the BoR contains the names and addresses of each person within Category 1 and 2.

Part 2 of the Book of Reference

Part 2 of the BoR is described in Regulation 7(1)(b) as follows:

“...Part 2 contains the names and addresses for service of each person within Categories 3 as set out in section 57;”

Category 3 persons are defined as those who would or might be entitled to make a ‘relevant claim’ (being a claim under section 10 of the Compulsory Purchase Act 1965 and / or Part 1 of the Land Compensation Act 1973 and / or section 152(3) of the Planning Act 2008) as a result of the implementation of the Order, as a result of the Order having been implemented, or as a result of the use of the land once the Order had been implemented.

No Category 3 parties have been identified in relation to the Order Land.

Part 3 of the Book of Reference

Part 3 of the BoR is described in Regulation 7(1)(c) as follows:-

“...Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with.”

Part 3 of the BoR contains the names of all those persons who it is considered may have their private rights over land affected by the authorised development pursuant to the Order.

Certain relevant persons included within Part 1 of the BoR have also been included within Part 3 where their rights may be affected. Examples include statutory undertakers with services in or under the Order land, and whose rights over the Order land are likely to be affected whether the Order land is required permanently or temporarily.

Part 4 of the Book of Reference

Part 4 of the BoR is described in Regulation 7(1)(d) as follows:-

“...Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made;”

No Crown interests have been identified within the Order land.

Part 5 of the Book of Reference

In accordance with Regulation 7(1)(e) of the APFP Regulations, Part 5 identifies land:

- i) the acquisition of which is subject to Special Parliamentary Procedure under particular circumstances;
- ii) which is Special Category Land (meaning land which forms all or part of a common, open space, National Trust land held inalienably and fuel and field garden allotments); and
- iii) which is replacement land.
- iv) and for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.

No Special Category Land has been identified within the Order land.

Acquisition of Rights and Imposition of Restrictions

Part 5 of the Order sets out the purpose for which the compulsory acquisition powers for the creation of new rights and imposition restrictions are being sought.

Temporary Use of Land

Part 5 of the Order sets out the purpose for which the temporary use powers are being sought.
