Dear Planning Inspectorate,

Thank you for advising the Canal & River Trust (Interested Party Reference OKFS SP015) of the publication of the Examination Timetable for the Oaklands Farm Solar Project.

Having reviewed the application documents, I can advise that the proposal does not appear likely to have any impact on the Trust's assets or infrastructure and we therefore do not anticipate that we will need to submit any representations or participate further in the examination process.

Regards,

Ian Dickinson MRTPI
