Dear Sirs

**Application by Oaklands Solar Farm Limited for an Order Granting  
Development Consent for the Oaklands Farm Solar Park located on land at  
Oaklands Farm, to the south-east of Walton-on-Trent and to the west of  
Rosliston, South Derbyshire – Deadline 3 response**

To date Leicestershire County Council (LCC) has submitted the following responses to the Examining Authority in respect of the above application:

- Relevant Representations (RR-170)
- Written Representations (REP1-027)
- Local Impact Report (REP2-002)

Through these responses LCC has requested provision of information and engagement from the Applicant. To date we have no record of this information being provided, either into the Examination or directly, and no record of contact from the Applicant. It is therefore unfortunate that LCC is not able to provide a further detailed response to the Examining Authority at this time, and has no additional comments to make at Deadline 3.

LCC requests to be heard at any further open floor/issue specific hearings as appropriate.

Yours faithfully

[REDACTED]
