Like all Parish Councils in South Derbyshire we have received a Local Impact Report compiled by South Derbyshire District Council and the Planning Consultants used by South Derbyshire District Council with some input from Derbyshire County Council. Locally, no Parish Council meets in August and many residents are on holiday, which makes a deadline of 22nd August for responses to Deadline 3 totally impractical.

I would also point out that there are still many outstanding questions to be asked and answers received/awaited. The granting of a further open hearing on this application would be greatly appreciated in order that Parish Councils can respond in a timely manner taking into account residents views.

I look forward to you response
