Dear PINS

Leicestershire County Council (LCC) are pleased to advise that following the Applicants Deadline 4 submissions, in particular REP4-032 Outline Construction Traffic Management Plan, taken together with requirement 10 of the Draft DCO (REP3-009), the concerns of LCC have now been addressed. On this basis we no longer wish to make representation at next week's planned hearings.

Whilst the approach taken by the Applicant i.e., to agree a s278 agreement for works on Leicestershire's highway network outside of the DCO process appears unusual, LCC cannot sustain an objection based on the Applicant's preference for working in this way.

Kind regards
Rebecca
