Subject: Adequacy of consultation response - NLC
Date: 08 March 2023 15:22:43

Good afternoon,

Thank you for your consultation dated 20 February 2023 in respect of the application submitted by Ecotricity (Heck Fen Solar) Limited for an Order granting Development Consent for the Heckington Fen Solar Park project. I apologise for the delay in providing you with the view of NLC with regards to the consultation undertaken in respect of this project.

Having reviewed the Consultation Report and appendices submitted by the applicant I can confirm that North Lincolnshire Council consider that the consultation undertaken by the applicant is adequate to comply with the statutory requirements under Section 42, 47 & 48 of the Planning Act 2008 (as amended) and is acceptable.

The Council has no further comments to make in respect of this document. Due to the nature of the proposed development and the distance from our administrative boundary it is unlikely that NLC will wish to register as an Interested Party in respect of this examination.

Please do not hesitate to contact me should you wish to discuss this matter further.

Kind Regards

Andrew Law
