

CERTIFICATE 1

Planning Act 2008

The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017

Certificate of compliance with regulation 16

I hereby certify that, in compliance with the requirements under regulation 17 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 –

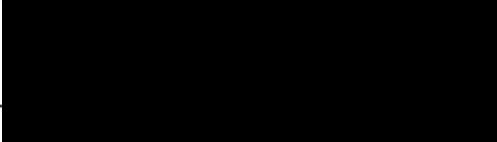

- (a) notice of the application was given to the persons identified under regulation 11; and
- (b) a copy of the accepted application, including the environmental statement and a map was given to the consultation bodies in accordance with regulation 16

- in relation to the application for an order to grant development consent for the proposed Heckington Fen Solar Park, which is situated within the administrative areas of North Kesteven District Council, Boston Borough Council, and, at county level, within Lincolnshire County Council and will cover an area of approximately 645 hectares. The proposed development comprises the construction, operation, maintenance, and decommissioning of solar photovoltaic (PV) generating panels with a total capacity exceeding 50 megawatts (MW) together with associated infrastructure including energy storage and grid connection infrastructure to, and at, the Bicker Fen National Grid Substation.

(Completed certificate to be received by the Secretary of State no later than 10 working days after the deadline date stating the applicant has fulfilled all the requirements at (a) and (b))
