The Council notes that the dates of ISH1 and ISH2 are prior to the submission deadline for LIRs (deadline 6 - 3rd October 2023). The Council anticipates that the ISHs will be high level and therefore whilst we would wish to participate in the PM and ISHs 1 and 2 we are unlikely be able to make detailed representations given the timings relative to our LIR submission. We are however happy to await agenda publication for ISHs 1 and 2.
