---

Dear Sirs.

I write on behalf of Cadent Gas.

I understand there is a request for the Heckington project team to engage with Cadent Gas to provide a Statement of Common Ground as part of the examination process.

I can confirm Cadent Gas has no assets being affected by the project, therefore it deems the need for such a document unnecessary.

If for another reason you feel there is a need please do not hesitate to contact me to discuss.

Kind regards

Toby
