

NKDC would like to have a representative at the ASI. We understand that the purpose of the ASI is to visit areas not accessible to the public rather than publicly accessible areas however should the ASI also take in public vantage points then we request consideration of those areas shown on the attached plan in blue, these being

- A17 site access Six Hundreds Farm
- Area around 1-12 Council Houses East Heckington
- Representative mid point on B1395 Side Bar Lane
- Temporary construction access/Elm Grange
- Claydike Bank (closest BBC LVIA of main energy park site)
