

The draft DCO was submitted at D2 (REP2 - 008 & 009)

In relation to Req 7:

REP2-012 indicates in line 16 that Boston Borough Council will be added to Req7 as a consultee. However, REP2-013 in line 35 shows the text that is in the draft DCO (REP2-008 & 009) and shows that this has not been done. REP2-010 & 011 also require amendment to include the Borough Council as a consultee.

In relation to Req19: Borough is misspelt as Brough.
