Table 11.7 should be for the period 2011-2021 as Table 11.6 above it.

The Borough Council welcomes the update with regarding bed spaces in the Borough.

We note table 11.14 uses 164 when para 11.5.11 suggests it will use 327. Table 11.15 and 11.16 use 327. It maybe that table 11.17 has been copied into this place.

Paras 11.5.15 and 11.5.36 final bullet should include Boston Borough in the conclusion.

These are all prior to para 11.7.2 which advises that the remainder of this document is updated as part of a standalone document (REP2-050)
