## 1. Overview

- 1.1. This Book of Reference is submitted as part of an application made by Ecotricity (Heck Fen Solar) Limited ('The Applicant') to the Planning Inspectorate under Section 37 of the Planning Act 2008 ('The Act') for a Development Consent Order (DCO) to approve the construction and operation of a renewable generation and storage facility, at Heckington Fen, Lincolnshire.
- 1.2. A DCO is sought for a solar generating station and all infrastructure required to generate and transmit the power to the Bicker Fen substation. The site is located on land to the north of the A17 and Swineshead, Lincolnshire, with a cable connecting it to the Bicker Fen substation to the south.
- 1.3. This document has been prepared to comply with Regulation 5(2)(d) of The Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (as amended) (the "APFP Regulations") which requires an applicant for a DCO to provide a Book of Reference with their application.

## 2. Introduction

- 2.1. This Book of Reference comprises five Parts in accordance with Regulation 7 of the APFP, as set out below:
- **Part 1** contains the names and addresses of those who own, lease, occupy or have another interest in the Order limits or would be affected by the powers contained in the Development Consent Order (known as Category 1 and 2 persons).
  - **Part 2** contains the names and addresses of those identified who, may be entitled to make a claim compensation pursuant to Section 10 of the Land Compensation Act 1965, Part 1 of the Land Compensation Act 1973, or Section 152(3) of the Planning Act 2008, for loss resulting from the implementation of the Development Consent Order and use of the authorised project (known as Category 3 persons).
  - **Part 3** contains the names and addresses of those entitled to enjoy easements or other private rights which it is proposed may be extinguished, suspended, or interfered with in connection with the authorised project.
  - **Part 4** identifies plots in which there is a Crown interest that will be affected by the project and the rights contained in the Order.
  - **Part 5** identifies land which would be subject to special parliamentary procedure, constitute 'special category land' or which are 'replacement land', however in this case no land in these categories has been identified.
- 2.2. Each parcel of land that is affected is identified as a 'plot' and a unique number has been assigned to each plot. The plots are listed in each of the Tables that comprise this Book of Reference and are shown on the accompanying Land and Crown Land Plans.
- 2.3. Part 1 of the Book of Reference below not only identifies all parties within Categories 1 and 2 it also identifies the Classes of Rights which are being sought over each plot, which are also shown on the accompanying Land and Crown Land Plans. The Classes of Rights being sought by the Applicant can be outlined as:
- **Class Right 1 – Permanent easement and access (Article 20 of the Development Consent Order):**
    - (a) to install, use, support, protect, inspect, alter, remove, replace, retain, renew, improve and maintain electrical underground cables, earthing cables, optical fibre cables, data cables, telecommunications cables and other services, works associated with

such cables including bays, ducts, protection and safety measures and equipment, and other apparatus and structures including by connecting such cables to the substation;

(b) to install, use, support, protect, inspect, alter, remove, replace retain, renew, improve and maintain watercourses, public sewers and drains and drainage apparatus and equipment;
