

## Adequacy of Consultation Representation Proforma

Under *Section 55(4)(b) of the Planning Act 2008* (as amended) (PA2008) the Planning Inspectorate, on behalf of the Secretary of State, must take any adequacy of consultation representation (AoCR) received from a local authority consultee into account when deciding whether to accept an application for development consent, and this will be published should the application be accepted for examination.

An AoCR is defined in s55(5) in PA2008 as “a representation about whether the applicant complied, in relation to that proposed application, with the applicant’s duties under sections 42, 47 and 48”.

Dear Mr Raywood

**Planning Act 2008 (as amended) – S55**

**Application by RWE Renewables UK Dogger Bank South (West) Limited and RWE Renewables UK Dogger Bank South (East) Limited for an Order Granting Development Consent for the Dogger Bank South Offshore Wind Farms**

**Response to Adequacy of Consultation Request**

Thank you for the letter dated 13 June 2024 advising us of the submission of the application for the Dogger Bank South Off Shore Wind Farm and allowing us to comment on the adequacy of pre-application consultation undertaken by RWE and its compliance with Sections 42, 47 and 48 of the Planning Act 2008 (as amended).

The Council has been involved in regular pre-application discussions with the applicant and has reviewed their Consultation Report and Appendices found via the link in your letter. It is considered that the applicant has complied with the relevant sections of the Planning Act 2008 (as amended) in their duty to consult the appropriate local authorities, the prescribed consultees, identified land interests, the local community and to publicise the application. I have attached the proforma confirming this.

Yours sincerely,
