Good afternoon

I have registered to speak at the Preliminary Hearing on 22nd October on behalf of East Riding of Yorkshire Council. The principal purpose is to request a provisional extension for submission of the local impact report. I wasn't sure whether that is a matter for the Hearing or just to raise through yourself? The request is because we have to take the report to our planning committee to agree it before being sent - the next committee is the day before the deadline. A provisional extension is therefore being asked for at this stage to enable any additional areas the committee may want including to be assessed and added. I would suggest a one week extension in the case of any amendments being required please?

Regards Graham Varley Principal Planning Officer East Riding of Yorkshire Council
