1 Explanatory Notes for the Land Rights Tracker (LRT)

1. The following notes are provided for additional context for the following trackers.

1.1 Part 1 – ‘CAT 1 Owners’

2. Part 1 of the LRT includes all Category 1 Owners or Reputed Owners identified within the **Book of Reference** [APP-031] where acquisition of land and rights is required, and the land interest is able to provide proof of title.
3. Part 1 of the LRT does include tenants, lessees and occupiers identified as Category 1 interests in the Book of Reference. The Applicant is requesting such interests be signatories to voluntary agreements with Category 1 Owners or Reputed Owners identified within the **Book of Reference** [APP-031].
4. The LRT does not include commentary with Category 3 interests identified in the **Book of Reference** [APP-031] as they are outside the Order Land and therefore not subject to any acquisition of land, rights nor temporary possession.
5. Where no interest has come forward declaring or proving ownership of unregistered plots, negotiations are not ongoing, and the plots have not been included in the LRT.

1.2 Part 2 – ‘CAT 2 Statutory Undertakers’

6. Part 2 of the LRT includes commentary in respect of voluntary agreements being sought with Category 2 Statutory Undertaker interests in the **Book of Reference** [APP-031] as having rights and/or apparatus within the Order Land.

1.3 Part 3 – ‘Crown Interests’

7. Part 3 of the LRT includes all Crown Interests identified within the **Book of Reference** [APP-031] where acquisition of land and rights is required, and the land interest is able to provide proof of title.

1.4 Section Notes

8. Each tracker includes five Sections, each with multiple columns.
9. Section A provides the name of the Affected Party as an individual land interest within the Order Land, their unique reference number and the name and company of their agent if they are represented professionally.
10. Section B provides the Examination Library references associated with any Relevant Representation, Written Representation or other document provided by the Affected Party.

11. Section C provides an overview of the status of any objection as well as a summary of any objection.
12. Section D provides more information in respect of the Affected Party's interest within the Order Land, including the description of rights sought of Book of Reference plots detailed within Section 6 of the **Draft DCO** [APP-027].
13. Section E provides an overview of the status of voluntary agreements as well as a summary of the negotiation status of agreements being sought.

The Applicants agent is in discussion with the Landowner, however the Applicants' agent has not yet received evidence that they are a qualified interest, so have yet to negotiate with them directly. This interest was identified on 7th May 2024 as an occupier of plot 09-009 following discussions with the landowner and their appointed agent. The appointed agent is in the LIG, however, evidence to confirm the occupation has not yet been received by the Applicant. A generic Occupier's Heads of Terms were sent to the Occupier's appointed agent on the 19th September 2024. Negotiations with the affected party are ongoing. It is hopeful that the necessary land rights can be secured through a voluntary agreement. |
