1 Explanatory Notes for the Land Rights Tracker (LRT)

1. The following notes are provided for additional context for the following trackers.

1.1 Part 1 – ‘CAT 1 Owners’

2. Part 1 of the LRT includes all Category 1 Owners or Reputed Owners identified within the **Book of Reference** [APP-031] where acquisition of land and rights is required, and the land interest is able to provide proof of title.
3. Part 1 of the LRT does include tenants, lessees and occupiers identified as Category 1 interests in the Book of Reference. The Applicant is requesting such interests be signatories to voluntary agreements with Category 1 Owners or Reputed Owners identified within the **Book of Reference** [APP-031].
4. The LRT does not include commentary with Category 3 interests identified in the **Book of Reference** [APP-031] as they are outside the Order Land and therefore not subject to any acquisition of land, rights nor temporary possession.
5. Where no interest has come forward declaring or proving ownership of unregistered plots, negotiations are not ongoing, and the plots have not been included in the LRT.

1.2 Part 2 – ‘CAT 2 Statutory Undertakers’

6. Part 2 of the LRT includes commentary in respect of voluntary agreements being sought with Category 2 Statutory Undertaker interests in the **Book of Reference** [APP-031] as having rights and/or apparatus within the Order Land.

1.3 Part 3 – ‘Crown Interests’

7. Part 3 of the LRT includes all Crown Interests identified within the **Book of Reference** [APP-031] where acquisition of land and rights is required, and the land interest is able to provide proof of title.
