**Representative Viewpoint 17 (Left) - Public Footpath BrAW/7/1 between Carlby Road and Banthorpe Wood**

**Existing View:**

This viewpoint is representative of walkers using public footpath BrAW/7/1 between Carlby Road and Banthorpe Wood to the east of the eastern parcel. The existing view extends across the PRow and the gently rising arable farmland towards Banthorpe Wood and Dogkennel Plantation which encloses the eastern part of the Solar PV Site.

**Operational Phase Effects:**

The eastern parcel of the Solar PV Site would not be perceptible beyond the rising landform, hedgerows and woodland blocks which encloses the horizon at this viewpoint. The scale of effect would be **negligible (neutral)** at year 1 and 15.

For viewpoint locations refer to Figure 6.6: Zone of Theoretical Visibility (ZTV) Study, Representative Viewpoints and Illustrative Viewpoints.
