TABLE

Table 1. Record of Engagement	2
-------------------------------------	---

1. INTRODUCTION

1.1. Parties

1.1.1. The “Parties” to this Statement of Common Ground (‘SoCG’) are Cory Environmental Holdings Limited (‘the Applicant’) and Lidl Great Britain Limited (‘Lidl’).

1.2. Purpose of this Statement of Common Ground

1.2.1. This SoCG has been prepared by the Applicant to inform the Examining Authority of the matters agreed and, if applicable, the matters yet to be agreed, between the Parties in relation to the Development Consent Order (‘DCO’) application for the Cory Decarbonisation Project (‘the Proposed Scheme’).

1.3. Background and Description of the Proposed Scheme

1.3.1. The Applicant has applied to the Secretary of State for Energy Security and Net Zero under the Planning Act 2008 for powers to construct, operate, maintain and decommission a carbon capture facility to capture carbon dioxide from energy from waste facilities Riverside 1 and Riverside 2 (at the time of writing, construction for Riverside 2 is ongoing) at Cory’s existing facility on Norman Road (‘the Riverside Campus’), in the London Borough of Bexley.

1.3.2. The application was submitted to the Planning Inspectorate on 20 March 2024 and was accepted for Examination on 18 April 2024.

1.3.3. The Proposed Scheme is described in **Chapter 2: Site and the Proposed Scheme (Volume 1)** of the **Environmental Statement (APP-051)** and the principal elements include:

- the Carbon Capture Facility (including its associated supporting plant and ancillary infrastructure);
- a Proposed Jetty to allow for export of the captured carbon by vessel;
- a Mitigation and Enhancement Area;
- Temporary construction compounds; and
- Utilities Connections and Site Access Works.

1.4. Lidl’s Interests

1.4.1. The Applicant has engaged and consulted with Lidl because Lidl is the freehold owner of the land plot 2-001 within the **Book of Reference (APP-022)** and identified on the **Land Plans (APP-008)**:

1.4.2. This land plot comprised of 10 square meters of river bank (River Thames).

2. RECORD OF ENGAGEMENT

2.1.1. A summary of the key meetings and key correspondence between the Parties can be found in the table below.

Table 1. Record of Engagement

1.1.1. Date	1.1.2. Form of Correspondence	1.1.3. Summary of Matters Dealt with in Correspondence / Meetings
05.04.2023	Letter	LIQ issued to Lidl
08.05.2024	Notice	Section 56 notice issued to Lidl
28.05.2024	Email	Email to Lidl introducing the Proposed Scheme, with a link to the DCO application's website for more information and offering a meeting to discuss further.
14.06.2024	Email	Email to Lidl confirming that the Applicant's DCO application had been accepted for Examination by the planning inspectorate and was expected to commence towards the end of September or beginning of October. A link was provided to the planning inspectorate's website where the application documents could be viewed, together with a link and instructions on how to register as an interested party.
14.06.2024	Meeting	Meeting held with Lidl to provide overview on Proposed Scheme, the programme it is working to, potential impacts on the Lidl site, and to introduce the concept of agreeing a SoCG.
04.07.2024	Email	Email to Lidl providing a copy of the meeting notes from 14.06.2024, an affected landowner plan, and a proposed list of principles that had been discussed in the meeting on 14.06.2024 that could be covered in a SoCG.

2.1.2. The Parties remain in regular communication.

3. MATTERS AGREED BETWEEN THE PARTIES

3.1. Introduction

3.1.1. The Parties are agreed on the points set out in this section.

3.2. Matters Agreed

- 3.2.1. Lidl is the freehold owner of the following land plot listed in the **Book of Reference (APP-022)** and identified on the **Land Plans (APP-008)**: 2-001. This land plot comprises riverbank beyond the England Coast Path before the high-water mark, and being outside Lidl's operational fence line.
- 3.2.2. The Applicant is seeking temporary possession powers over this plot to facilitate the construction of the Proposed Scheme's new jetty and its associated infrastructure, to be constructed upstream from the Lidl site and due north / northeast of the existing Belvedere Power Station Jetty.
- 3.2.3. In the event the Applicant is granted the temporary possession rights it is seeking over land plot 2-001, it intends to exercise these powers to facilitate the work described in paragraph 3.2.2. However, it would be the Applicant's intention to reinstate land plot 2-001 in accordance with the reinstatement provisions provided for in article 35 (4) of the **draft DCO (APP-018)**.
- 3.2.4. Lidl's main operations, including access and egress to its Regional Distribution Centre's (RDC) are serviced by the road with Unique Street Reference number 20101199, Crabtree Manorway North. This route is outside of the DCO application's red-line boundary. As a result, no disruption to Lidl's operations at its Belvedere RDC's is anticipated.
- 3.2.5. Some disruption is expected at times along the England Coast Path – a small number of Lidl's employees use the England Coast Path to commute to and from the Belvedere RDC's – but this and any diversions necessary would be managed through the measures set out in the **Outline Code of Construction Practice (APP-124)**.

4. MATTERS UNDER DISCUSSION

4.1. Introduction

4.1.1. There are currently no matters under discussion between Parties.
