Dear Mr Underwood, the Examining Authority,

Re: Cory Decarbonisation Project and Statement of Common Ground

I am writing further to your Rule 6 letter dated 7 October 2024, and your request to the Applicant to prepare a Statement of Common Ground with the RSPB set out in Annex F, and on which subject the Applicant has since contacted the RSPB.

As we set out in our Relevant Representation (RR-198), due to limited capacity and resource the RSPB is unable to take any further part in the Examination beyond the submission of our Relevant Representation. Therefore, we regret we will be unable to prepare a Statement of Common Ground with the Applicant.

Kind regards,
