Land within the administrative boundaries of The London Borough of Bexley

This Book of Reference is comprised of five Parts, in accordance with regulation 7(1) of the Regulations, Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 Regulation 5(2)(d), as follows:

|        |   |          |
|--------|---|----------|
| Part 1 | Contains the names and addresses of those who own, lease, hold a tenancy in relation to, or occupy land within the Order limits (Category 1), or who have an interest in land or have the power to sell and convey or to release such land (Category 2) (as set out in section 57 in the Planning Act 2008)   | Page 1   |
| Part 2 | On other projects this part would contain the names and addresses of those whose land, while not directly affected by the authorised development, may be entitled to claim compensation for loss resulting from the implementation of the Order and use of the land once the Order has been implemented (Category 3 as set out in section 57 in the Planning Act 2008). However, the Applicant has not identified any parties who would be able to make such a relevant claim, as such this part does not contain reference to any parties. | Page 102 |
| Part 3 | Contains the names and addresses of those entitled to enjoy easements or other private rights over land which it is proposed may be extinguished, suspended or interfered with in connection with the authorised development, pursuant to the Order.  | Page 103 |
| Part 4 | Identifies plots in which there is a Crown interest that will be affected by the authorised development and the rights contained in the Order. There is no such land within the Order limits.   | Page 132 |
| Part 5 | Identifies plots which constitute “special category land” for the purposes of section 131 of the Planning Act 2008 that will be affected by the authorised development and the rights contained in the Order. (In this case open space, which is identified as such on the Special Category Land Plan (APP-014).  | Page 133 |

## Introduction

- 1.1 This document comprises the Book of Reference (“BoR”) as required by regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (“the Regulations”).
- 1.2 As prescribed by regulation 7(1) of the Regulations, this BoR is in five parts. Each of the five Parts is summarised below, together with a brief commentary on how the requirements in the Regulations have been interpreted and applied to the Proposed Scheme.
- 1.3 Every parcel of land is identified on a plot by plot basis and a unique number has been ascribed to each plot (the plots labelled with sheet number prefix and consecutively numbered left to right). The plots are shown on the Land Plans (APP-008) which accompany the application.
- 1.4 All plot area measurements in the BoR are approximate, as these measurements are given in square metres, and each measurement is rounded up to the nearest whole square metre.

## Book of Reference Part 1

- 1.5 Part 1 of the BoR is described in regulation 7(1)(a) as follows:

*“...Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect of any land which it is proposed shall be subject to–*

- (i.) powers of compulsory acquisition;*
- (ii.) rights to use land, including the right to attach brackets or other equipment to buildings; or*
- (iii.) rights to carry out protective works to buildings;”*

- 1.6 Category 1 persons are defined within section 57 of the Planning Act 2008 as those who own, lease, hold a tenancy in relation to or occupy land within the Order limits.
- 1.7 Category 2 persons are those who have an interest in land within the Order limits or have the power to sell and convey or to release such land.
- 1.8 Part 1 of the BoR contains the names and addresses of each person within Category 1 and 2. For each plot, a description of the land and its approximate area are provided.

## Book of Reference Part 2

1.9 Part 2 of the BoR is described in *Regulation 7(1)(b)* as follows:

*“...Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57;”*

1.10 Category 3 persons are defined as those who the Applicant considers would or might be entitled to make a ‘relevant claim’ (being a claim under section 10 of the Compulsory Purchase Act 1965 and / or under Part 1 of the Land Compensation Act 1973 and / or under section 152(3) of the Planning Act 2008 as a result of the implementation of the Order, as a result of the Order having been implemented, or as a result of the use of the land once the Order had been implemented.

1.11 As explained in the **Statement of Reasons (APP-020)**, it is considered that there are no parties able to make a relevant claim whose land interests are outside of the Order limits. It is also considered that there are no parties with interests in the Order limits who will be able to make a relevant claim, on the basis that their rights are either those of a mortgagee, or their rights are self-contained within the Order limits, and so would be affected directly by the Proposed Scheme (rather than needing to make a claim under section 10 of the Compulsory Purchase Act). As such, no parties are identified in this Part.

## Book of Reference Part 3

1.12 Part 3 of the BoR is described in *Regulation 7(1)(c)* as follows:

*“...Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with..”*

1.13 Part 3 of the BoR contains the names of all those persons who it is considered will have their private rights over land affected by the Proposed Scheme.

1.14 Certain relevant category 2 persons included within Part 1 of the BoR have also been included within Part 3 where their rights may be affected. Examples include tenants on land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

## Book of Reference Part 4

1.15 Part 4 of the BoR is described in Regulation 7(1)(d) as follows:

*“...Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made;”*

1.16 No Crown land (or Crown interests) has been identified within the Order limits and as such, no Crown interests are identified in this Part.

## Book of Reference Part 5

1.17 Part 5 of the BoR is described in Regulation 7(1)(e) as follows:

*“...Part 5 specifies land—*

*(i.) the acquisition of which is subject to special parliamentary procedure;*

*(ii.) which is special category land;*

*(iii.) which is replacement land;*

*and, for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.”*

1.18 Part 5 (which should be read in conjunction with the **Special Category Land Plan (APP-014)** contains a list of plots which have been identified as special category land, in this case land considered to be open space. As explained in the Statement of Reasons (APP-020), the Applicant is not proposing to provide replacement land for the special category land, so such land is not identified in this BoR or on the **Land Plans (APP-008)**.

## Interpreting the BoR, land plans and draft Order in context

- 1.19 The description of each plot also includes the reference to the principal land use power(s) sought in the **draft DCO (APP-018)** in respect of that particular plot:
- 1.20 Plots identified in Part 1 of the BoR identified with the wording 'Permanent acquisition of' will be subject to the power of outright acquisition pursuant to article 26 of the **draft DCO (APP-018)**. These plots are shown coloured pink on the **Land Plans (APP-008)**.
- 1.21 Plots identified in Part 1 of the BoR with the wording "Permanent acquisition of new rights over" will be subject to the power to create and acquire new rights over land and impose restrictive covenants and acquire existing rights pursuant to article 28 of the **draft DCO (APP-018)**. These plots are shown coloured blue on the **Land Plans (APP-008)**.
- 1.22 Plots identified in Part 1 of the BoR as "Temporary possession over" will be subject to the powers of temporary possession for the purpose of carrying out the authorised development pursuant to article 35 of the **draft DCO (APP-018)** and for the purposes of maintaining the authorised development pursuant to article 36 of the **draft DCO (APP-018)**. These plots are shown yellow on the Land Plans.

For plots where the Applicant is seeking to acquire rights (including imposing restrictive covenants), different 'categories' of rights have been identified in the BoR.. The different categories of rights are reflected in Schedule 8 to the **draft DCO (APP-018)** and have been assigned (where relevant) to each plot number identified in Part 1 of the BoR.
