Dear ██████████,

EN010128: APPLICATION BY CORY ENVIRONMENTAL HOLDINGS LIMITED FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE CORY DECARBONISATION PROJECT – EXAMINATION TIMETABLE DEADLINE 2

I write on behalf of the Applicant, Cory Environmental Holdings Limited, to provide its Deadline 2 submissions in respect of the Examination for the Cory Decarbonisation Project.

The Applicant's Deadline 2 submission comprises the following documents:

- Document reference 1.4 – **Application Document Tracker**.
- Document reference 2.3 – **Works Plans**. The title of the table on Sheets 25, 26, and 27 has been changed from 'Dredging Coordinates' to 'Licensable Area' following comments from the Marine Management Organisation (MMO).
- Document reference 3.1 – **Draft Development Consent Order (DCO)** in clean, tracked and Word versions. Please note that the comparison software to produce the tracked version has corrupted the paragraph numbering in the tracked version of the draft DCO. The Applicant has manually corrected the paragraph numbering (and cross referencing) in article 8 and paragraph 46 of the PLA's Protective Provisions, as that is the main subject of the changes at this Deadline, but in the time available, has not done so for the rest of the tracked draft DCO.
- Document reference 4.3 – **Book of Reference (BOR)** in clean, tracked and Word versions.

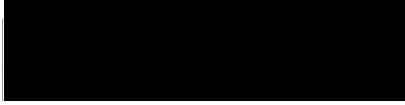

- Document reference 7.4 – **Outline Code of Construction Practice** in clean, tracked and Word versions, updated to address comments received from the MMO and the Port of London Authority (PLA).
- Document reference 9.3 – **Schedule of Changes to BOR.**
- Document reference 9.4 – **Schedule of Changes to the Draft DCO.**
- Document reference 9.5 – **Statement of Commonality.**
- Document reference 9.7 – **Land Rights Tracker.**
- Document reference 9.12 – **Applicant's Response to Interested Parties' Deadline 1 Submissions.**
- Document reference 9.13 – **Applicant's Response to Western Riverside Waste Authority's Deadline 1 Submission.**
- Document reference 9.14 – **Applicant's Response to Landsul and Munster Joinery's Deadline 1 Submission.**
- Document reference 9.15 – **Outline Skills and Employment Plan (SEP)** produced following comments from London Borough of Bexley.
- Document reference 9.16 – **Applicant's Draft Itinerary for Accompanied Site Inspection.** In respect of this the Applicant notes that its draft itinerary does not include off-site travellers' sites (such as at Jenningtree Way), as suggested by the Ridgeway Users Group. The Applicant considers that this site is some distance from the Site and is not impacted by the Proposed Scheme. It also notes that if the ExA can visit this site in an unaccompanied site visit if desired.
- **Statements of Common Ground (SoCG):** the following are submitted:
 - Document reference 8.1.1 – **SoCG – London Borough of Bexley.**
 - Document reference 8.1.6 – **SoCG – Friends of Crossness Nature Reserve.**
 - Document reference 8.1.28 – **SoCG - Buglife**
 - Document reference 8.1.30 – **SoCG – Dartford Borough Council.**

I would be grateful if you could confirm receipt of this letter and the accompanying documents.

Yours sincerely,

Richard Wilkinson
Project Director
