Dear Mr Booth,

**Planning Act 2008 (as amended) – Section 46 and The Infrastructure Planning
(Environmental Impact Assessment) Regulations 2017 – Regulation 8**

**Proposed application by SSE Slough Multifuel Limited for an Order Granting
Development Consent for the Slough Multifuel Extension Project**

Acknowledgement of receipt of information concerning proposed application

Thank you for your letter of 4 May 2022 and the following documentation:

- A plan showing the extent of the Project Site edged in red
- The PEI Report and its Non-Technical Summary
- The Section 48 Notice that is being published

I acknowledge that you have notified the Planning Inspectorate of the proposed application for an order granting development consent for the purposes of section 46 of the PA2008 and supplied the information for consultation under section 42. The following reference number has been given to the proposed application, which I would be grateful if you would use in subsequent communications:

EN010129

I also acknowledge the notification within the accompanying section 48 notice that, in accordance with Regulation 8(1)(b) of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017, you propose to provide an Environmental Statement in respect of the proposed development.

I will be your point of contact for this application – contact details are at the top of this letter.

The role of the Planning Inspectorate in the application process is to provide independent and impartial advice about the procedures involved and to have open discussions with

potential applicants, statutory bodies and others about the processes and requirements of the regime. It is important that you keep us accurately informed of your timetable and any changes that occur.

We will publish advice we give to you or other interested parties on the National Infrastructure Planning website and, if relevant, direct parties to you as the Applicant. We are happy to meet at key milestones and/or provide advice as the case progresses through the pre-application stage.

Once you have prepared draft documents, we are able to provide technical advice, in particular on the draft Development Consent Order, Explanatory Memorandum, the Consultation Report and any draft HRA. You may therefore wish to build this into your timetables.

In the meantime, you may wish to have regard to the guidance and legislation material provided on the website, including the Infrastructure Planning (Fees) Regulations 2010 (as amended) and associated guidance, which you will need to observe closely in establishing the correct fee to be submitted at the successive stages of the application process.

When seeking to meet your pre-application obligations you should also be aware of your obligation under the current data protection legislation to process personal data fairly and lawfully.

If you have any further queries, please do not hesitate to contact me.

Yours sincerely

Michele Gregory
