Dear Sir/Madam

Planning Act 2008 (as amended) and The Infrastructure Planning (Examination Procedure) Rules 2010 (as amended) – Rules 8(3) 9 and 17

Application by SSE Slough Multifuel Limited for an Order Granting Development Consent for the Slough Multifuel Extension Project

Notice of variation to the Examination Timetable

I write to provide notification that I have made a Procedural Decision to vary the Examination Timetable relating to the Examining Authority's (ExA) schedule of proposed changes to the draft Development Consent Order (dDCO) and a subsequent deadline. The revision also allows for the ExA to seek further information under Rule 17. The changes are intended to allow me the opportunity to consider the responses to the second written questions and Rule 17 request before issuing the schedule of changes to the dDCO. An additional deadline has been added to the timetable to allow the Applicant and Interested Parties to make comments.

The consequential variation to the Examination timetable is set out in **Annex A**. Please note that the ExA's second written questions will be issued on 5 May as previously advised.

If you have any questions about the content of this letter, please contact the Case Team using the details above.

Yours faithfully

Simon Warder

Examining Authority
