# 1 Guide to the Application

## 1.1 Introduction

1. Outer Dowsing Offshore Wind (The Applicant) is applying to the Secretary of State under the Planning Act 2008 for powers to construct, operate and decommission the Outer Dowsing Offshore Wind Project (The Project).
2. This document provides a guide to the Applicant's Development Consent Order (DCO) application (the Application) for the Project. It sets out how to navigate the different Parts and Volumes of material submitted as part of the Application.
3. This forms the base of a live document which will be updated throughout examination when updates or revisions to existing documents are made and when new documents are submitted to the Planning Inspectorate, highlighting the most up to date versions of each document.

## 1.2 Master Document List

4. For ease of navigation these documents are grouped into 10 Parts, which corresponds with their associated document reference numbers:

Part	DCO Application Part	Summary of Contents
1	Introductory Materials	Provides details of the specific application information required by the Planning Inspectorate
2	Plans and Drawings	Contains the plans which show where the Project propose to undertake the work
3	Draft Development Consent Order and Supporting Documents	Outlines the legal powers the Project are seeking from the Government to build the proposed connection
4	Compulsory Acquisition Information	Provides evidence of why the Project may require legal powers of compulsory acquisition
5	Consultation Report	Provides details of the pre-application consultation that we have undertaken on the project
6	Environmental Statement	Shows how the Project assessed the potential impact on the environment
7	RIAA, HRA Screening, Derogation and Compensation	Includes derogation and compensation related documents produced for the application submission.
8	Outline Documents	Includes outline documents at the point of application, which will become DCO certified documents.
9	Project Statements	Includes Project Statements to support the Application.
10	Examination submissions [to follow]	A placeholder for new documents submitted to the Planning Inspectorate during the course of the examination
