

PLANNING ACT 2008
THE INFRASTRUCTURE PLANNING (APPLICATIONS: PRESCRIBED FORMS AND PROCEDURE)
REGULATIONS 2009

CERTIFICATE OF COMPLIANCE WITH SECTION 56 OF THE PLANNING ACT 2008

I HEREBY certify that, in compliance with the requirements of Section 56 of the Planning Act 2008 –

- (a) notice of the accepted application was given to the required persons identified in accordance with section 56;
- (b) a copy of the accepted application and accompanying documents and information was made available to the required persons; and
- (c) the accepted application was published in the required manner

in relation to the application for an order to grant development consent to construct, operate, maintain and decommission Outer Dowsing Offshore Wind (“ODOW”), an offshore wind generating station, located in the southern North Sea approximately 54km from the Lincolnshire coast at its closest point, and associated development to connect the generating station to the national grid (the “Project”). The landfall connection works will be located at Wolla Bank, south of Anderby Creek. The onshore export cable corridor will run south (west of the A52) to the Project’s onshore substation location at Surfleet Marsh. 400kV cables will then run between the onshore substation and the National Grid substation at Weston Marsh, with the National Grid substation to be consented, built, owned, and operated by National Grid Electricity Transmission.

The deadline date for all representations to be received by the Planning Inspectorate under section 56 was 13 June 2024 except in the case of persons listed in Column 1 of the Annex to this certificate, in respect of whom, the deadline date for any representations that may be made by those persons is listed in Column 2 of that Annex.
