Good morning

We would like to inform you that The MCA will not be submitting a Principal Areas of Disagreement Statement (PADS). As set out in the ExAs letter dated 31<sup>st</sup> July 2024, PADS should only be submitted '*if the IP holds a substantive concern or concerns with the Proposed Development*'. Having reviewed the relevant documentation, The MCA are content that we do not hold any substantive concerns regarding the application on this occasion and have only moderate and minor matters for submission. As such and as instructed in the letter, these comments will be expanded upon in our Written Representation which will be submitted to the ExA at Deadline 1 on 24<sup>th</sup> October 2024.

Many thanks for your time,

kind regards,  
Vaughan Jackson
