Good Morning

I email regarding the Development Consent Order for The Outer Dowsing Offshore Wind project, reference EN010130.

On behalf of North East Lincolnshire Council, I can confirm that there are no detailed comments on the project at this stage as the proposal would not appear to affect our area in any physical manner. If necessary, further comments can be made during the examination period. However, we do acknowledge that it will support the renewable industry, and it is considered that the socio-economic impact and benefits should be explored and detailed in full. For example, it would be beneficial if it could be detailed where the wind farm would be serviced from and in particular if this would be from the Port of Grimsby.

I trust the above is of value and please.

Kind Regards, Lauren
