Dear Louise,

I note that the Examining Authority has requested that the Environment Agency attend ISH1, in respect of the draft DCO Agenda Item 3.2, on the morning of 4th December.

Unfortunately, I am not able to attend due to a prior engagement. However, I can confirm that the Environment Agency's views on the DCO's provisions and Requirements remain as set out in Section 1 of its Written Representation [REP1-048] with the exception of its request in paragraph 1.7 for an additional requirement regarding 'Prohibited Access'. It has now been agreed that this matter will be included within the legal agreement currently under discussion with the Applicant.

I will review the Hearing recording and make a written submission at Deadline 3 if any other matters of relevance to the Environment Agency are discussed.

Please convey my apologies to the Examining Authority for being unable to attend.

Kind regards,

Annette Hewitson, MSc, MRTPI | Principal Planning Adviser
