Good morning,

Lincolnshire Wildlife Trust (LWT) received notification on Friday 20/12/2024 that the Examining Authority had issued their response to the applicant's Change Notification of 13 December 2024. In this response the Examining Authority note the list of the organisations that the applicant proposes to consult with on the proposed changes to the application and do not identify any further consultees that are necessary. LWT ask that we are included in this list and are consulted on the following changes:

- amendments to the draft Development Consent Order (Document 3.1) (dDCO) based on the Applicant's review of The Management of Hedgerows (England) Regulations 2024.
- amendment to the dDCO to include within Schedule 17, Part 2 a further important hedgerow under the Hedgerow Regulations 1997 which may be required to be removed

If you have any queries or concerns please do not hesitate to get in touch.

Kind regards,

Beth Fox (she/her)
Conservation Officer
