F-1.4 s42 (1) (C) GLA

GLA not applicable - land is not in Greater London

F-1.5 s42 Cat 1, 2 and 3 parties

Consultee
A person is within Category 1 if the applicant, after making diligent inquiry, knows that the person is an owner, lessee, tenant (whatever the tenancy period) or occupier of the land.
A person is within Category 2 if the applicant, after making diligent inquiry, knows that the person— (a) is interested in the land, or (b) has power-- (i) to sell and convey the land, or (ii) to release the land
A person is within Category 3 if the applicant thinks that, if the order sought by the proposed application were to be made and fully implemented, the person would or might be entitled— (a) as a result of the implementing of the order, (b) as a result of the order having been implemented, or (c) as a result of use of the land once the order has been implemented, to make a relevant claim. This is subject to subsection (5). (5)A person is within Category 3 only if the person is known to the applicant after making diligent inquiry (6) In subsection (4) “relevant claim” means— (a) a claim under section 10 of the Compulsory Purchase Act 1965 (c. 56) (compensation where satisfaction not made for the taking, or injurious affection, of land subject to compulsory purchase); (b) a claim under Part 1 of the Land Compensation Act 1973 (c. 26) (compensation for depreciation of land value by physical factors caused by use of public works)[F2; (c) a claim under section 152(3)].

F-2 Land interests consulted under s42(1)(d) during the statutory consultation which took place from 22 June to 5 August 2022 and and/or under s42(1)(d) during targeted consultation from 3 November to 13 December 2022

Proposed Gate Burton Energy Park
Statutory Consultation: 22 June 2022 - 05 August 2022
Planning Act 2008 Section 42(1)(a) and (aa): Duty to Consult on a Proposed Application

Dear Mr Leighton

We are writing to you regarding the proposed Gate Burton Energy Park which is a solar photovoltaic (PV) array generating facility and energy storage facility with a total capacity exceeding 50 megawatts (MW) and grid connection route corridor to National Grid's 400kV Cottam substation. The Application is for the proposed Gate Burton Energy Park on farmland south east of Gainsborough and to the east of the A156 at Gate Burton and to the west of the B1241 at Willingham by Stow (the "Site"). The Application comprises of the 'Solar and Energy Storage Park' and a grid cable connection corridor to National Grid's 400kv Cottam substation which is located to the SW of the Site in Nottinghamshire.

The Scheme falls within the definition of a 'Nationally Significant Infrastructure Project' (NSIP) under the Planning Act 2008 (as amended) (the 2008 Act). In accordance with the 2008 Act, we are required to make an application for a Development Consent Order (DCO) to get the consent we need to construct, maintain, operate and decommission the Scheme.

This application will be made by Gate Burton Energy Park Limited (company number 12660764) ("the Applicant") to the Secretary of State for Business, Energy & Industrial Strategy (Secretary of State) via the Planning Inspectorate (the Inspectorate) who will appoint an Examining Authority to examine the application on behalf of the Secretary of State. After examination, the Examining Authority will report its recommendation on the application to the Secretary of State, who will then make the final decision on whether or not to make a DCO for the Scheme. We intend to submit our application for a DCO in Q4 2022.

As the Scheme is an Environmental Impact Assessment (EIA) development as defined by the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (the EIA Regulations) we have prepared, and provided, a Preliminary Environmental Information (PEI) Report and a Non-Technical Summary of the PEI to help you understand the potentially likely significant environmental effects of our proposals. Furthermore, an Environmental Statement will be submitted with our application for a DCO.

During the pre-application process, we must consult with a variety of persons and organisations about our application in accordance with the requirements of the 2008 Act and Regulation 3 of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009.

This letter is notice of the Gate Burton Energy Park Limited's statutory consultation on the Scheme which will run from **Wednesday 22nd June 2022 until 11.59pm on Friday 5th August 2022** and we invite responses on or before the closing date.

This statutory consultation is an opportunity for you to share your views on our proposals for the Scheme as a whole. We strongly encourage you to provide your views to us now through this statutory consultation. This will enable us to take your views into account in developing and refining our proposals before submitting our application to the Inspectorate. There will be limited opportunity to amend the proposals once the application has been submitted to the Inspectorate, so now is the best time to have your say on the Scheme.

Consultation documents

The full set of consultation documents are listed below and will be made available from 22 June 2022 on the Scheme's website at: www.gateburtonenergypark.co.uk. If you have any trouble accessing the consultation documents on the Scheme's website from 22 June 2022 please let Gate Burton Energy Park Limited know at your earliest convenience using the contact details contained within this letter. The consultation documents are provided to help you understand the proposals and inform any comments you have on the Scheme.

- Consultation postcard
- Document navigation booklet
- Project Information booklet
- Feedback form
- Plans and Map of the Scheme
- Non-Technical Summary of the Preliminary Environmental Information Report
- Preliminary Environmental Information Report
- Statement of Community Consultation

Hard copies of the consultation materials may be requested during the consultation period from Gate Burton Energy Park Ltd using the e-mail address, postal address or telephone number provided at the bottom of this notice. Requests for hard copies of the technical documents will be reviewed on a case-by-case basis. To cover printing costs a reasonable copying charge may apply (up to a maximum of £350 for one full suite of documents) to be paid for by the recipient.

Consultation materials can also be provided on a USB stick free of charge, on request.

Contact Us

Public Consultation events

During the consultation period, 22 June – 05 August 2022, a series of public consultation events (a combination of in person and two online events will be held where you can view hard copies of the consultation material and speak with the project team, these are detailed below.

Where any public consultation event referred to is cancelled or rearranged for any reason, including Covid-19 restrictions, as much notice as possible will be given. Notice of any alternative arrangements (if any are reasonably considered necessary by us) will be given as soon as possible after the cancellation or rearrangement is made. This may include alternative dates, venues and/or arrangements for the submission of representations. We will inform you of any cancellations or rearrangements via methods such as the website.

Further information on consultation documents

Copies of the consultation materials may be requested during the consultation period from Gate Burton Energy Park Limited using the e-mail address, postal address or telephone number provided below.

Enquiries in relation to the consultation documents during the consultation period should also be directed to Gate Burton Energy Park Limited using these details. All copies of consultation materials are available to download from the website.

Feedback

Any person may comment on the proposals or otherwise respond to this consultation. Responses must be received between by 11:59pm on 5th August 2022. Responses received after this time may not be considered.

Consultation responses can be made in writing to our free post address provided below or electronically directly via our website or e-mail address details of which are also provided below. In addition, and by appointment only it will be possible to make a representation over the Project enquiry line (number below). Feedback provided will be transcribed and agreed verbally prior to submission. To make an appointment to provide verbal feedback please contact us using the contact methods outlined below.

A consultation feedback form which is available as part of the consultation materials is available for download from our website with a hard copy enclosed with this letter. Further copies are available on request or at in-person consultation events. When providing your response, please include your name and address or, if you would prefer your comments to be anonymous, your postcode only. Please also confirm the nature of your interest in the Scheme. Please supply any response to:

E-mail: info@gateburtonenergypark.co.uk

Website: www.gateburtonenergypark.co.uk

Write: FREEPOST GATE BURTON ENERGY PARK

Free Phone: 0800 860 6259

Gate Burton Energy Park Limited will consider and have regard to all responses when developing the Application for a Development Consent Order once consultation has closed. Responses will form the basis of a Consultation Report that will be one of the factors taken into consideration by the Secretary of State when deciding whether the Application can be accepted for examination. Therefore, in providing any comment, it should be borne in mind that the substance of it may be communicated to others as part of the Consultation Report.

Personal details will be held securely and solely for purposes in connection with the statutory consultation, Development Consent Order process and further development of the Scheme. Outside of these purposes Gate Burton Energy Park Limited may be required to provide personal details if specifically requested as part of a Freedom of Information Act request or if the Planning Inspectorate requests original responses.

Otherwise, personal details will not be disclosed to any third parties. A copy of the project's privacy notice can be found at www.gateburtonenergypark.co.uk/privacy. Alternatively hard copies of this notice can be requested free of charge using the contact details provided above.

If you would like further information about this notice, the consultation or the Scheme, please contact the Project Team by using one of the contact methods provided above.

The development consent process

Further information about the 2008 Act process and Development Consent Orders can be found on the Inspectorate's National Infrastructure Planning website: <https://infrastructure.planninginspectorate.gov.uk/>

If you have any queries about this correspondence, the proposals or the consultation, please do not hesitate to contact the project team using the details provided below.

Yours sincerely

Further information on consultation documents

Copies of the consultation materials may be requested during the consultation period from Gate Burton Energy Park Limited using the e-mail address, postal address or telephone number provided below.

Enquiries in relation to the consultation documents during the consultation period should also be directed to Gate Burton Energy Park Limited using these details. All copies of consultation materials are available to download from the website.

Feedback

Any person may comment on the proposals or otherwise respond to this consultation. Responses must be received between by 11:59pm on 5th August 2022. Responses received after this time may not be considered.

Consultation responses can be made in writing to our free post address provided below or electronically directly via our website or e-mail address details of which are also provided below. In addition, and by appointment only it will be possible to make a representation over the Project enquiry line (number below). Feedback provided will be transcribed and agreed verbally prior to submission. To make an appointment to provide verbal feedback please contact us using the contact methods outlined below.

A consultation feedback form which is available as part of the consultation materials is available for download from our website with a hard copy enclosed with this letter. Further copies are available on request or at in-person consultation events. When providing your response, please include your name and address or, if you would prefer your comments to be anonymous, your postcode only. Please also confirm the nature of your interest in the Scheme. Please supply any response to:

E-mail: info@gateburtonenergypark.co.uk

Website: www.gateburtonenergypark.co.uk

Write: FREEPOST GATE BURTON ENERGY PARK

Free Phone: 0800 860 6259

Gate Burton Energy Park Limited will consider and have regard to all responses when developing the Application for a Development Consent Order once consultation has closed. Responses will form the basis of a Consultation Report that will be one of the factors taken into consideration by the Secretary of State when deciding whether the Application can be accepted for examination. Therefore, in providing any comment, it should be borne in mind that the substance of it may be communicated to others as part of the Consultation Report.

Personal details will be held securely and solely for purposes in connection with the statutory consultation, Development Consent Order process and further development of the Scheme. Outside of these purposes Gate Burton Energy Park Limited may be required to provide personal details if specifically requested as part of a Freedom of Information Act request or if the Planning Inspectorate requests original responses.

Otherwise, personal details will not be disclosed to any third parties. A copy of the project's privacy notice can be found at www.gateburtonenergypark.co.uk/privacy. Alternatively hard copies of this notice can be requested free of charge using the contact details provided above.

If you would like further information about this notice, the consultation or the Scheme, please contact the Project Team by using one of the contact methods provided above.

The development consent process

Further information about the 2008 Act process and Development Consent Orders can be found on the Inspectorate's National Infrastructure Planning website: <https://infrastructure.planninginspectorate.gov.uk/>

If you have any queries about this correspondence, the proposals or the consultation, please do not hesitate to contact the project team using the details provided below.

Yours sincerely

Proposed Gate Burton Energy Park

Statutory Consultation: 22 June 2022 - 05 August 2022

Planning Act 2008 Section 42(1)(d) and 44: Duty to Consult on a Proposed Application

We are writing to you regarding the proposed Gate Burton Energy Park which is a solar photovoltaic (PV) array generating facility and energy storage facility with a total capacity exceeding 50 megawatts (MW) and grid connection route corridor to National Grid's 400kV Cottam substation. The Application is for the proposed Gate Burton Energy Park on farmland south east of Gainsborough and to the east of the A156 at Gate Burton and to the west of the B1241 at Willingham by Stow (the "Site"). The Application comprises of the 'Solar and Energy Storage Park' and a grid cable connection corridor to National Grid's 400kV Cottam substation which is located to the SW of the Site in Nottinghamshire. https://gh.dynamicmaps.co.uk/LRA_GHLive/vwLR2_Party_Addresses_ShowTable/360/

The Scheme falls within the definition of a 'Nationally Significant Infrastructure Project' (NSIP) under the Planning Act 2008 (as amended) (the 2008 Act). In accordance with the 2008 Act, we are required to make an application for a Development Consent Order (DCO) to get the consent we need to construct, maintain, operate and decommission the Scheme.

This application will be made by Gate Burton Energy Park Limited (company number 12660764) ("the Applicant") to the Secretary of State for Business, Energy & Industrial Strategy (Secretary of State) via the Planning Inspectorate (the Inspectorate) who will appoint an Examining Authority to examine the application on behalf of the Secretary of State. After examination, the Examining Authority will report its recommendation on the application to the Secretary of State, who will then make the final decision on whether or not to make a DCO for the Scheme. We intend to submit our application for a DCO in Q4 2022.

As the Scheme is an Environmental Impact Assessment (EIA) development as defined by the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 (the EIA Regulations) we have prepared, and provided, a Preliminary Environmental Information (PEI) Report and a Non-Technical Summary of the PEI to help you understand the potentially likely significant environmental effects of our proposals. Furthermore, an Environmental Statement will be submitted with our application for a DCO.

During the pre-application process, we must consult with a variety of persons and organisations about our application in accordance with the requirements of the 2008 Act. In accordance with sections 42(1)(d) and 44 of the 2008 Act, we must consult people and organisations who have an interest in land. We are writing to you as we believe that you have, what we refer to in this letter as, an "interest" in land¹ in respect of which the Applicant is proposing to seek powers of compulsory acquisition, temporary possession and/or may otherwise be affected by the Scheme. This could mean that you are considered to:

¹ We refer to "land" throughout this letter, and this extends to property e.g. buildings.

- Have a Category 1 interest in land or property in the area of the Scheme under section 44 of the 2008 Act. This means that we believe you are an owner, lessee, tenant (whatever the tenancy period), or occupier of this land; and/or
- have a Category 2 interest in land or property in the area of the Scheme under section 44 of the 2008 Act. This means that we believe you have another type of interest in this land, (not covered by Category 1) or have the power to sell and convey the land, or to release the land.

Therefore, we are required to consult with you on the proposed application for Gate Burton Energy Park and are particularly interested in obtaining your feedback on our proposals.

The enclosed plan(s) detail where we understand your land or property interest is situated in relation to the Scheme.

Please note we are also required to consult with Category 3 persons as defined in s44(4) - (6) of the 2008 Act and have also written to those persons.

The DCO will include an application for compulsory acquisition and temporary use powers, to facilitate the construction, operation (including maintenance) and decommissioning of the Scheme. However, our preference is to reach agreement for all the land rights and temporary possession powers required for the Scheme through the negotiation of private treaty agreements ahead of any of the DCO powers being used. We will continue to engage with you to secure necessary land rights and temporary possession powers via agreement if not already reached.

This letter is notice of the Gate Burton Energy Park Limited's statutory consultation on the Scheme which will run from **Wednesday 22nd June 2022 until 11.59pm on Friday 5th August 2022** and we invite responses on or before the closing date.

We want you to use this consultation to tell us about the potential impacts that our Scheme may have on your interest in land. We also want to work with you to see if there are any ways in which any potential impacts could be reduced. We can do that more effectively if we fully understand how you use the land and how our Scheme may affect that use. You may also wish to consider whether your interests in any surrounding land not acquired or used by the Scheme will be affected. Please refer to the consultation documents and use the contact details provided near the end of this letter to give us your comments.

This statutory consultation is also an opportunity for you to share your views on our proposals for the Scheme as a whole. We strongly encourage you to provide your views to us now through this statutory consultation. This will enable us to take your views into account in developing and refining our proposals before submitting our application to the Inspectorate. There will be limited opportunity to amend the proposals once the application has been submitted to the Inspectorate, so now is the best time to have your say on the Scheme.

Consultation documents

The full set of consultation documents are listed below and will be made available from 22 June 2022 on the Scheme's website at: www.gateburtonenergypark.co.uk. If you have any trouble accessing the consultation documents on the Scheme's website from 22 June 2022 please let Gate Burton Energy Park Limited know at your earliest convenience using the contact details contained within this letter. The consultation documents are provided to help you understand the proposals and inform any comments you have on the Scheme.

- Consultation postcard
- Document navigation booklet
- Project Information booklet
- Feedback form
- Plans and Map of the Scheme
- Non-Technical Summary of the Preliminary Environmental Information Report
- Preliminary Environmental Information Report
- Statement of Community Consultation

Hard copies of the consultation materials may be requested during the consultation period from Gate Burton Energy Park Ltd using the e-mail address, postal address or telephone number provided at the bottom of this notice. Requests for hard copies of the technical documents will be reviewed on a case-by-case basis. To cover printing costs a reasonable copying charge may apply (up to a maximum of £350 for one full suite of documents) to be paid for by the recipient. Consultation materials can also be provided on a USB stick free of charge, on request.

Compensation and additional documents relevant to you

As you have an interest in land which could be affected, we are using this consultation to develop our understanding of the potential impact of our proposals on your interest, and any mitigation. To help you to help us understand this, we are also enclosing more documents in hard copy. Please use or refer to these documents in your consultation response to aide our understanding of your response.

- **Landownership Parcel Plan(s)** – Plan(s) showing the land that we believe you have an interest in (edged and shaded blue), in relation to the draft Order Limits boundary (depicted by the solid red line). If you have any comments or clarifications on this plan please let us know.
- **A plan showing the full extent of Scheme, known as the Map of the Scheme** – we have included this plan so that, if there is land you have an interest in within the draft Order Limits boundary (depicted by the solid red line) but that has not been included on the Land Ownership Parcel Plan(s), you can use this consultation opportunity to bring that to our attention. If this is the case, please send details of the land you have an interest in within the draft Order Limits boundary, that has not been included on the Landownership Parcel Plan(s) sent to you, back to us as part of your consultation response.

Compensation

Please note that whilst you may be entitled to compensation if your land interest is acquired or affected, or if temporary possession is taken, this is not a matter relevant to this consultation. The amount of compensation due is a matter to be determined through separate discussions with you, and any disputes will be determined by the Upper Tribunal (Lands Chamber) and not by the Examining Authority or the Secretary of State.

Contact Us

Public Consultation events

During the consultation period, 22 June – 05 August 2022, a series of public consultation events (a combination of in person and two online events will be held where you can view hard copies of the consultation material and speak with the project team, these are detailed below.

Where any public consultation event referred to is cancelled or rearranged for any reason, including Covid-19 restrictions, as much notice as possible will be given. Notice of any alternative arrangements (if any are reasonably considered necessary by us) will be given as soon as possible after the cancellation or rearrangement is made. This may include alternative dates, venues and/or arrangements for the submission of representations. We will inform you of any cancellations or rearrangements via methods such as the website.

In-person events

Marton & Gate Burton	Rampton	Willingham-by-Stow	Knaith	Treswell
Friday 8 July 2022 14:00 – 20:00	Saturday 9 th July 2022 10:00 – 14:00	Thursday 14 th July 2022 14:00 – 20:00	Saturday 16 th July 2022 10:00 – 14:00	Tuesday 19 th July 2022 14:00 -20:00
