# 1. Introduction

## 1.1 Purpose of this document

- 1.1.1 This Book of Reference relates to an application made by Gate Burton Energy Park Limited (company number 12660764) (the “Applicant”) to the Secretary of State for Business, Energy & Industrial Strategy (Secretary of State) via the Planning Inspectorate under section 37 of the Planning Act 2008 (the “2008 Act”) for a Development Consent Order (“DCO”). If made, the DCO would grant consent for the Applicant to undertake the Gate Burton Energy Park (the “Scheme”).
- 1.1.2 This Book of Reference lists the plots of land over which the Applicant is seeking powers of compulsory acquisition and powers of temporary possession in the DCO for the purposes of the Scheme. For each plot it identifies whether the Applicant is seeking the power to acquire the freehold interest, the power to permanently suspend or extinguish easements, servitudes and other private rights, permanently create and/or acquire new rights (including restrictions), or the power to create and/or acquire temporary rights of possession and use. It also lists the persons with land outside the Order land who may be entitled to make a relevant claim for compensation due to the effects of construction or when the Scheme is complete.
- 1.1.3 This Book of Reference has been prepared and submitted in compliance with Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (the “2009 Regulations”), as amended, and in accordance with the former Department for Communities and Local Government’s publication ‘Planning Act 2008: Guidance related to procedures for compulsory acquisition’ (September 2013).
- 1.1.4 As this Book of Reference is part of the application documents it should be read in conjunction with the **Lands Plans [EN010131/APP/5.6]**, the **Crown Land Plans [EN010131/APP/5.7]** the **Statement of Reasons [EN010131/APP/6.4]**, the **Schedule of Negotiations and Powers Sought [EN010131/APP/6.5]** and the **Draft DCO [EN010131/APP/6.1]**.
- 1.1.5 This Book of Reference is divided into five parts as prescribed by Regulation 7(1) of the 2009 Regulations. Each of the five Parts are summarised in the next chapter, together with a brief commentary on how the requirements in the Regulations have been interpreted and applied to the collation of each Part of the Book of Reference.
- 1.1.6 A description of the Scheme can be found in Schedule 1 of the **Draft DCO [EN010131/APP/6.1]** and in **Chapter 2 of the Environmental Statement - The Scheme [EN010131/APP/3.2]**.

## 1.2 Book of Reference Description

### Part 1 Description

1.2.1 Regulation 7(1)(a) of the 2009 Regulations states;

*Part 1 contains the names and addresses for service of each person within Categories 1 and 2 as set out in section 57 (categories for purposes of section 56(2)(d)) in respect powers of any land which it is proposed shall be subject to -*

- i. Powers of compulsory acquisition*
- ii. rights to use land, including the right to attach brackets or other equipment to buildings; or*
- iii. rights to carry out protective works to buildings*

1.2.2 Part 1 of this Book of Reference contains the names and addresses for service for every person who is known, after making diligent inquiry, to be an owner, lessee, tenant, or occupier of the plot (known as Category 1 persons) or, is interested in or, has the power to sell, convey or release the land (known as Category 2 persons).

1.2.3 A person is within Category 1 if the Applicant after making diligent inquiry, knows that they are an owner, lessee, tenant (whatever the tenancy period), or occupier of the land to which the application for development consent relates; see section 57(1) and (7) of the 2008 Act.

1.2.4 A person is within Category 2 if the Applicant, after making diligent inquiry, knows that they are interested in the land or have the power to sell and convey or release the land. This includes mortgagees, cautioners and beneficiaries that may have an interest in the land to which the application for development consent relates.

1.2.5 The Applicant has taken the cautious approach of seeking powers of compulsory acquisition (or rights of use) in respect of all plots of land required for the Scheme even where it already holds an interest in the land. This approach has been taken to ensure that it has the right to acquire the interests it needs in the whole of the Order land.

### Part 2 Description

1.2.6 Regulation 7(1)(b) of the 2009 Regulations states;

*Part 2 contains the names and addresses for service of each person within Category 3 as set out in section 57.*

1.2.7 Part 2 of this Book of Reference contains the names and addresses (if known by the Applicant) of each person within Category 3, as defined by Section 57 of the 2008 Act.

1.2.8 A person is within Category 3 if the Applicant, having made diligent inquiry, believes that, if the DCO were to be made and fully implemented, they would or might be entitled to make a relevant claim as defined in section 57 of the 2008 Act. A relevant claim is a claim under section 10 of the Compulsory

Acquisition Act 1965 (compensation where satisfaction is not made for the taking or injurious affection of land subject to compulsory purchase), a claim under part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by the use of public works), or a claim under section 152(3) of the 2008 Act where land is injuriously affected by the carrying out of the authorised works.

### Part 3 Description

- 1.2.9 Regulation 7(1)(c) of the 2009 Regulations states:

*Part 3 contains the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with*

- 1.2.10 Part 3 of this Book of Reference contains the names of all those with easements or other private rights over the Order land.

- 1.2.11 Category 2 persons included within Part 1 of this Book of Reference have also been included within Part 3 where their rights may be affected. Examples include tenants of the land, or statutory undertakers with services in or under the land, and whose rights over the land are likely to be affected whether the land is required permanently or temporarily.

### Part 4 Description

- 1.2.12 Regulation 7(1)(d) of the 2009 Regulations states;

*Part 4 specifies the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made*

- 1.2.13 “Crown land” is defined in section 227 of the 2008 Act and includes interests belonging to Government departments among other Crown interests.

- 1.2.14 Part 4 of this Book of Reference includes Crown interests within the Order land.

### Part 5 Description

- 1.2.15 Regulation 7(1)(e) of the 2009 Regulations states:

*Part 5 specifies land –*

- i. the acquisition of which is subject to special parliamentary procedure;*
- ii. which is special category land;*
- iii. which is replacement land*

- 1.2.16 Part 5 of this Book of Reference is blank in each section as no plots have been identified which constitute “special category land” or “replacement land” or are subject to “special parliamentary procedure” for the purposes of section 132 of the Planning Act 2008 that will be affected by the Scheme and the rights contained in the order land.

## 1.3 Book of Reference Notes

- 1.3.1 Part 1 of this Book of Reference provides the area in square metres of all land included in the DCO. Areas have not been repeated in Parts 2 to 5 of this Book of Reference.
- 1.3.2 The term ‘approximately’ is used before all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 1.3.3 Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the Land Plans sheet on which the plot is located. The second differentiates between each plot sequentially on the sheet.
- 1.3.4 The description of each plot of land includes reference to the principal land use power(s) sought in the draft DCO in respect of that plot. The table below is provided to explain the relationship between this Book of Reference, the **Draft DCO [EN010131/APP/6.1]**, and the **Lands Plans [EN010131/APP/5.6]**, the **Crown Land Plans [EN010131/APP/5.7]** to clarify the powers sought in relation to compulsory acquisition and temporary possession.
- 1.3.5 The Applicant also seeks the power to temporarily possess all the land within the Order land (Article 29) of **Draft Proposed DCO [EN010131/APP/6.1]**. The Applicant has also included powers in the Order to ensure that easements and other private rights identified as affecting the Order land are extinguished or suspended, so as to facilitate the construction and operation of the Scheme without hindrance. Furthermore, there may be unknown rights, restrictions, easements or servitudes affecting that land which also need to be extinguished in order to facilitate the construction and operation of the Scheme. With respect to land shaded green, in respect of which temporary possession only is sought, Article 23 of the **Draft DCO [EN010131/APP/6.1]** makes clear that any private rights or restrictive covenants are only suspended for the period in which the Applicant is in lawful possession of the land (i.e. they would only be suspended temporarily).

**Table 3 - 1 Relationship between the Land Plans and DCO**

Colour of the plot on Land Plans	Description of the plot in the Book of reference	Principal land use and power sought	Principle relevant DCO Article
Pink	“land to be acquired permanently in...”	freehold to be to be compulsorily acquired and temporary use of land and in relation to which it is proposed to suspend or extinguish easements, servitudes and other private rights	Article 20
Blue	“new rights to be acquired permanently over...”	new rights (including restrictions) to be compulsorily acquired and temporary use of land and in	Article 22

Green	"land to be used temporarily in..."	temporary use of land and in relation to which it is proposed to temporarily suspend easements, servitudes and other private rights	Article 29, 30

## 1.4 How to use this Book of Reference

- 1.4.1 The table below provides a step-by-step guide to enable any person with an interest in the land to identify how the Applicant's proposals may affect the land in which they have an interest.

**Table 3 - 2 How to use this Book of Reference**
