Dear Sirs,

I refer to the correspondence sent to our CEO via surface mail, dated 27th February. NATS operates no infrastructure within 10km of the Gate Burton application site. Accordingly it has no comments to make on the Application and will not register as an Interested Party.

We take this opportunity to respectfully request you update the contact details for NATS, and note our preference to receive any further correspondence electronically.

27th February 2023

Dear Mr Rolfe,

Notice of acceptance of an application for the Gate Burton Energy Park Development Consent Order by the Planning Inspectorate (on behalf of the Secretary of State) under Section 56 of the Planning Act 2008

Section 56 of the Planning Act 2008

Regulation 8 of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009

Regulation 16 of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017

We are writing to you pursuant to section 56 of the Planning Act 2008 (the "Act"), to notify you that Gate Burton Energy Park Limited (company number 12660764) of Stirling Square, 5-7 Carlton Gardens, London, United Kingdom, SW1Y 5AD ("the Applicant") has applied for a Development Consent Order ("DCO") for the Gate Burton Energy Park ("the Scheme") and the DCO application for the Scheme has been accepted for examination by the Planning Inspectorate on behalf of the Secretary of State. You have been identified as a prescribed consultee and as such we are required to write to you to provide notice of acceptance of the application.

The proposed Scheme lies within the administrative areas of Bassetlaw District Council and West Lindsey District Council, and at county level within Nottinghamshire County Council and Lincolnshire County Council. The Application is for development consent for the construction, operation and maintenance and decommissioning of solar photovoltaic (PV) generating panels with a total capacity exceeding 50 megawatts (MW) and on-site energy storage facility together with grid connection infrastructure at a proposed site in Lincolnshire and Nottinghamshire.

We have enclosed a copy of the required notice which includes a description of the Scheme and details of how to make a representation to the Planning Inspectorate and therefore register as an Interested Party. The period for making a representation will close at 11.59pm on **12th April 2023**.

Interested Parties have the right to make representations about the DCO application for the Scheme and will be informed of the progress of its Examination. Interested Parties also have the opportunity to attend and speak at the Preliminary Meeting or hearings that take place during the Examination.

The Examining Authority will be appointed soon and will use the views put forward in the representations received to carry out an initial assessment of the principal issues. Therefore, even if you are automatically an Interested Party because you have an interest in land affected by the application or your organisation is on a list of prescribed bodies, you should still complete a relevant representation form so that your views can be made available to the Examining Authority at an early stage. Interested Parties are invited to consider the Application documents including the information provided in the Environmental Statement.

After the close of the period for representations, representations will be published on the project webpage on the PINS website. Please refer to the privacy information contained in the enclosed notice.

The enclosed notice also includes information on how to view the application form and accompanying application documents, which are available to inspect on the PINS website, as well as the dedicated project website.

The application documents are available to view via PINS, under the Documents tab, here until at least the end of the period for representations referred to above and in the accompanying notice:
<https://infrastructure.planninginspectorate.gov.uk/projects/east-midlands/gate-burton-energy-park/>

The application documents are also available to view via the project website until at least the end of the period for representations referred to above and in the accompanying notice at:

[REDACTED]

Also enclosed with this letter is a plan showing the location of the Order limits, local planning authority boundaries and the split of the Scheme between the area for the Solar and Energy Storage Park and the Grid Connection Corridor.

If you would like further information regarding the content of this letter, or for any other general enquiries regarding the Scheme, please contact the project team by using one of the contact methods provided below:

Emailing: info@gateburtonenergypark.co.uk

Calling our Freephone: 0800 860 6259

Writing to us at: FREEPOST GATE BURTON ENERGY PARK

Please note that all representations on the application documents should be made directly to the Planning Inspectorate using the details on the enclosed notice and by the deadline of 12th April 2023.

Yours faithfully,

Mike Rutgers

Head of Development Low Carbon

On behalf of Gate Burton Energy Park Limited

1. Section 56 notice;
2. Plan showing location of Order limits

**NOTICE OF ACCEPTANCE OF AN APPLICATION
FOR A DEVELOPMENT CONSENT ORDER BY THE PLANNING INSPECTORATE (ON
BEHALF OF THE SECRETARY OF STATE) UNDER SECTION 56 OF THE PLANNING
ACT 2008**

GATE BURTON ENERGY PARK DEVELOPMENT CONSENT ORDER

**REGULATION 8 OF THE INFRASTRUCTURE PLANNING (APPLICATIONS:
PRESCRIBED FORMS AND PROCEDURE) REGULATIONS 2009
REGULATION 16 OF THE INFRASTRUCTURE PLANNING (ENVIRONMENTAL
IMPACT ASSESSMENT) REGULATIONS 2017**

Notice is hereby given that the Secretary of State has accepted an application by Gate Burton Energy Park Limited (company number 12660764) of Stirling Square, 5-7 Carlton Gardens, London, United Kingdom, SW1Y 5AD ("the Applicant") for a Development Consent Order under the Planning Act 2008. The Application (Reference No. EN010131) was submitted by the Applicant to the Secretary of State c/o the Planning Inspectorate on 27th January 2023 and was accepted on 22nd February 2023.

Summary of the Project

The proposed Gate Burton Energy Park lies within the administrative areas of Bassetlaw District Council and West Lindsey District Council, and at county level within Nottinghamshire County Council and Lincolnshire County Council. The Application is for development consent for the construction, operation and maintenance and decommissioning of solar photovoltaic (PV) generating panels with a total capacity exceeding 50 megawatts (MW) and on-site energy storage facility together with grid connection infrastructure at a proposed site in Lincolnshire and Nottinghamshire ("the Scheme").

A map showing the location of the Scheme can be viewed on the National Infrastructure Planning website at the following link: <https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/EN010131/EN010131-000390-EN010131%20APP%205.1%20Location%20Plan.pdf>

Development consent is required to the extent that development is or forms part of a Nationally Significant Infrastructure Project pursuant to section 14(1)(a) and 15(1) and 15(2) of the Planning Act 2008, as an onshore generating station in England with a capacity exceeding 50 MW. It is for this reason that the project falls within the remit of the Secretary of State's decision making powers.

The Development Consent Order would enable the acquisition of land, new rights over land and the imposition of restrictions that are required to construct, operate and maintain the Scheme. In addition, it contains powers for the possession and use of land on a temporary basis to facilitate the construction of the Scheme.

Environmental Impact Assessment Development:

The proposed works are environmental impact assessment (EIA) development for the purposes of the Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 and accordingly an Environmental Statement (ES) accompanies the application.

Application form and accompanying documents:

The Application form and the accompanying documents, plans, ES and Non Technical Summary (NTS) can be viewed and downloaded free of charge online on the Gate Burton Energy Park page of the Planning Inspectorate's National Infrastructure Planning website under the documents tab: <https://infrastructure.planninginspectorate.gov.uk/projects/east-midlands/gate-burton-energy-park/>

These documents will be available to view online until at least the end of the Relevant Representation period at 11.59pm on 12th April 2023.

The documents are also available to view via the project website from now until at least 11.59pm on 12th April 2023, for the public to view, download and print at:

An electronic copy of the application documents can be supplied free of charge on a USB memory stick, to request a USB email info@gateburtonenergypark.co.uk or write to FREEPOST GATE BURTON ENERGY PARK or by telephone: 0800 860 6259. You can also contact the Applicant using these contact details if you have any enquiries in relation to the application form and its accompanying documents, plans and maps.

The application documents can also be viewed electronically at:

Representations:

Any representations (giving notice of any interest in, or objection to, the application) must be made on the Planning Inspectorate's Registration and Relevant Representation Form which can be accessed and completed online by following the relevant link on the Planning Inspectorate webpage: <https://infrastructure.planninginspectorate.gov.uk/projects/east-midlands/gate-burton-energy-park/>

If you require guidance on, or other methods of, obtaining and completing a Planning Inspectorate Registration and Relevant Representation Form, please telephone the Planning Inspectorate on 0303 444 5000 or e-mail gateburtonsolar@planninginspectorate.gov.uk

The Planning Inspectorate's Advice Notice 8.2: How to register to participate in an Examination, provides further guidance on how to register and make a relevant representation and can be accessed via the following link: <https://infrastructure.planninginspectorate.gov.uk/legislation-and-advice/advicenotes/advice-note-8-2-how-to-register-to-participate-in-an-examination/>

Please note that representations must be received by the Planning Inspectorate by **11:59pm on 12th April 2023**.

It should be noted that personal data, such as the name of persons over 18, will be published alongside a representation. If you do not wish personal data to be made publicly

available, you should state why when submitting the representation. If necessary, the Planning Inspectorate will publish the representations with your name and personal data redacted. Representations will be made public and will be subject to the Planning Inspectorate's privacy policy at <https://www.gov.uk/government/publications/planning-inspectorate-privacy-notices/customer-privacy-notice>
