1. Introduction

1.1 Introduction

- 1.1.1 This Statement of Common Ground (SoCG) has been prepared to be submitted to the Examining Authority (ExA) during the Examination of the Development Consent Order Application Gate Burton Energy Park (hereafter referred to as the Scheme).
- 1.1.2 The Application was submitted by Gate Burton Energy Park Ltd (the Applicant). The Applicant is funded by Low Carbon Limited (company number 13356797) ("Low Carbon"), which is a privately-owned UK investment and asset management company specialising in renewable energy. The Funding Statement [REP4-033] provides further information on the Applicant and Low Carbon.
- 1.1.3 In its Rule 6 Letter issued on 31 May 2023, the ExA requested the preparation of a SoCG between the Applicant and representatives or promoters of other solar Nationally Significant Infrastructure Projects (NSIPs) to include Cottam, West Burton and Tillbridge. Cottam Solar Project Limited is the promoter for the Cottam Solar Project, West Burton Solar Project Limited is the promoter for the West Burton Solar Project and Tillbridge Solar Limited is the promoter for the Tillbridge Solar Project.
- 1.1.4 This SoCG has been prepared by (1) Gate Burton Energy Park Ltd (the Applicant), (2) Cottam Solar Project Limited (Cottam); (3) West Burton Solar Project Limited (West Burton); and (4) Tillbridge Solar Project Limited (Tillbridge).
- 1.1.5 This SoCG covers the following matters as requested by the Examining Authority as set out in the Rule 6 Letter:
- 'Overlapping issues';
 - Any comments from Cottam, West Burton or Tillbridge on the 'Report on the interrelationship with other National Infrastructure projects' submitted by the Applicant;
 - Any principal concerns of Cottam, West Burton or Tillbridge expressed in other submissions; and
 - Any other matters on which agreement might aid the smooth running of the Examination and assist the Examining Authority's recommendation to the Secretary of State for the Department of Energy Security and Net Zero.
- 1.1.6 In the Rule 6 letter the ExA also requested the preparation of a report on the interrelationships between the four projects. This report was first submitted at Deadline 1 (18 July 2023) [REP-033] and then provided as a Joint Report between the parties at Deadline 4 [REP4-050]. A revision of this report has also been provided at Deadline 5. This report will continue to be updated as the Examination on the Gate Burton Energy Park progresses. The report has also been submitted at Deadline 1 for the Cottam Solar Project Examination,

and was included on the list of documents required for the West Burton Examination in the Rule 6 letter. The parties will continue to work jointly on the production of this report for all Examinations but it is not considered necessary to also update this Statement of Common Ground to documents these versions.

- 1.1.7 The Joint Report submitted at Deadline 5 provides details on all four projects, including plans showing the location of the respective schemes. Please refer to this document for further details. Appendix A of the interrelationships report provides details of engagement between the parties so this is also not repeated here.

2. Areas of Discussion between the Parties

Ref.	Document	Subject	Issue	Status
2.1	Joint report on the interrelationship with other National Infrastructure projects	n/a	At Deadline 4, the Applicant submitted the Joint Report on Interrelationships with other Nationally Significant Infrastructure Projects [REP4-050/8.26] which superseded previously submitted Report on the Interrelationships between other Nationally Significant Infrastructure Projects [REP-033 to 34/8.2] . To aid the ExAs on all projects, the developers of the Gate Burton, Cottam, West Burton and Tillbridge schemes have agreed to produce this joint report, to be revised and submitted at the various deadlines for each project.	Agreed
2.2	Cooperation agreement	n/a	The Applicant, Cottam, West Burton and Tillbridge have entered into a cooperation agreement to ensure various obligations on each party in relation to their cooperation throughout the Examination(s) of each DCO application. This cooperation agreement is provided in Appendix C of the interrelationships report.	Agreed
3.1	Draft development consent order (DCO)	Protective provisions	Tillbridge proposes to include protective provisions for the benefit of the Applicant, Cottam and West Burton within its DCO and the intention is for reciprocal protective provisions to be included in the DCOs of the Applicant, Cottam and West Burton for the benefit of Tillbridge Solar Limited. This agreement is set out in the cooperation agreement and is being progressed by each project.	Agreed
