Further to the notification received from Gate Burton Energy Park 12 October 2023 seeking the views of the Coal Authority on the above, I have checked the site location plan against the information held by the Coal Authority and can confirm that the proposed development site is located outside of the defined coalfield.

On this basis, the Planning team at the Coal Authority have no comments to make.

Please do not hesitate to contact me if you would like to discuss this matter further.

Yours faithfully
