Dear Sir or Madam,

**Planning Act 2008 – section 89; and The Infrastructure Planning  
(Examination Procedure) Rules 2010 – Rule 17  
Application by Gate Burton Energy Park Ltd for an Order Granting  
Development Consent for the Gate Burton Energy Park – request for further  
information**

Thank you for your letter of 4 December 2023 requesting further comments in relation to the above-mentioned DCO application.

We note that interested parties have been asked if they have any comments on the potential effect of changes in the November 2023 versions of the revised draft Energy National Policy Statements on matters related to their case in respect to this application, compared to the March 2023 versions of the Energy National Policy Statements.

National Highways can confirm that the updated policy statements do not alter our position in relation to this DCO application and we have no further comments to make in relation to these policy statements.

Yours sincerely,

[REDACTED]
