

I am concerned that the Battery Energy Storage System will pose a hazard to the local population and the environment. During the Examination the Applicant has not provided a satisfactory explanation of why a massive BESS has to be located on farming land, nor how the safety will be managed.

I request that the ExA takes account of the attached paper, published by the Planning Inspectorate:

<https://infrastructure.planninginspectorate.gov.uk/wp-content/ipc/uploads/projects/EN010106/EN010106-003806-DL2> - Alan B Smith - Appendix 6 (2 of 2) - Academic Reports.pdf
