

Gate Burton Energy Park – Deadline 7

I understand the submission deadline 7 for the above is January 4, 2024, and the examination is due to close on January 5, 2024. It is also likely to be the last chance to have a say on this possible Scheme.

I have made 14 Representation on this Scheme, all identified below in which comments and questions have been made. I am especially concerned that the questions made directly to the ExA have either remain unanswered or have not been resolved to my satisfaction.

Accordingly, I would ask when should I expect to receive a response from the ExA on these?
