Dear Sirs

I am registered as an interested party for the 4 solar farm proposals both for myself and our Parish Council. I would like to register my objection to the inspectorate choosing to run the initial examination phase for 2 of these projects virtually in tandem. In order to be present at these meetings it requires me, like others, to take time off from work, which is a consideration the inspectorate should include in their timetabling as by lumping these meetings one immediately after the other only works to exclude interested parties.

I am aware that you have already been advised of the very poorly arranged timetable by the 7000 acres representative group and we would expect some action such as changing the date of the West Burton proposal to occur at least 2-3 weeks after the Cottam project.

Kind Regards,

Ron Gore
Managing Director
