

From: [Adrienne Reed](#)
To: [West Burton Solar Project](#)
Subject: Previous Misleading information by the inspectorate
Date: 12 August 2023 14:13:23

This is to register my objection to the processing of WEST BURTON SOLAR PROJECT AT THE SAME TIME as the COTTAM SOLAR PROJECT. Previously the inspectorate informed interested parties this would NOT be the case.

There will be too much information to allow proper analysis of either and this is to me, a form of railroading.
