Dear Sir or Madam,

Re: Deadline 7 Response, West Burton Solar Project

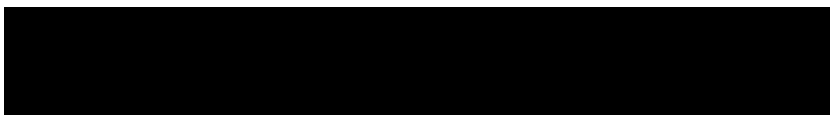

We have examined the Deadline 6 documents and wish to make the following comments:

Land Agreement

The parties continue to negotiate the agreement for the rights required for the project in respect of the cable route beneath the Trust's dredging tip (parcel 07 121). The Schedule of Negotiations Compulsory Acquisition Information Deadline 6 Revision C is a consistent view of negotiations and we anticipate reaching agreement shortly.

Yours faithfully,
